"Fr. Bramlage and Fr. Wilder have felt called by God to respond to John Paul II's vision concerning the New Evangelization, especially among the poor. They have been touched by the Holy Spirit to share the Good News of God's love through the power and gifts of the Holy Spirit. God continues to use them in this great ministry of the Church."

Bishop Sam Jacobs of Houma-Thibodaux Diocese, Louisiana

Pope Benedict XVI calls the laity to have occasions of healing which are centered on the Word of God to heal our lives: "Sacred Scripture contains countless pages that speak of ... the healing which God brings" *Verbum Domini [Word of the Lord] Dec. 2010*

- Discover the Sacred Scriptures that have power to heal your life
- Experience the presence of the Kingdom of God in all its signs and wonders
- Understand how the secular culture weakens our experience of God's promises and casts doubt in the faith-based healing of Sacred Scripture

**Free Signs & Wonders Healing Service Following, Saturday @ 7:30 PM
St. John Neumann Catholic Church, Gaithersburg, MD 20879**

Fr. Bramlage receives a blessing from Pope John Paul II

"Father Victor, who was with a cane the day of prayer in the cathedral and could not stand up, if you saw him right now you would not recognize him. He is very well and healthy. God healed him through your prayers. May God continue to bless you in your ministry."

Father Angel Castillo of Barquisimeto, Venezuela
