Charism school intro (for those who were not there)

I have come alive since the Charism School. The Spirit of God is burning in my heart. I want to see Him. I want to know His power. I want to know His authority over me. I want to let go of everything, in me, that opposes God.

Who else can relate to this?

Through the charism school- I was reminded who I am

We were reminded who we are as a community

I really didn't hear much new that weekend. You see I had my initial conversion over 28 years ago (a teenager compared to some of my older brethren). I was formed in the Life in the Spirit in Covenant Community where revelation and zeal for holiness was the very air that we breathed. We believed that God could do marvelous things through our lives. [He said, I will give nations in exchange for your lives] We knew that we were called to be a light to the world, a blessed fragrance in the Church. We knew the truth of so many prophetic scriptures spoken into us by God like Jeremiah 29: 11-14.

"For I know the plans I have for you, says the Lord, plans for welfare and not for evil, to give you a future and a HOPE. Then you will call upon me and come and pray to me, and I will hear you. You will seek me and find me: when you seek me with all of your heart, I will be found by you, says the Lord, and I will restore your fortunes and gather you from all of the nations and all of the places where I have driven you, says the Lord, and I will bring you back to the place from which I sent you into exile."

I have been taught over the years about this great panorama of Gods action from:

- Trinity before creation
- God's original purpose in creation
 - The son wanted man so the Father would have many sons and daughters
 - The Father wanted man so that His son could have a bride
 - The resulting procreation
- Profound devastation of the fall of man
 - You shall die
 - We chose the liar over the Father and stepped out of His authority and His kingdom
- Promise of a savior- the full restoration of God's original intention (Abraham- God himself would provide a lamb)
- God gathering and forming a people, Israel, as His own- fully reveal himself
- Prophets pointing the way to salvation
- The incarnation of the God man- God sharing my humanity so completely to restore me to himself.
- Passion, death and resurrection of Jesus- in which the death which originated at the fall and brought the dominion of the world the flesh and the devil was decimated! Destroyed. Finished. Our Lord Jesus Christ absolutely, unequivocally restored the Fathers authority over this world and over all humanity. Jesus ushered in Gods kingdom taking up His reign in authority over all the enemies of God. Jesus ...

- Pentecost- Jesus saying
 - Better that I leave you... You will receive power
 - You will do greater thingsPentecost where the incarnate son of God had to leave was replaced by His Spirit to would be with us always. He who would reside in us, a treasure in jars of clay. The Spirit of power who is the dynamic power of God bringing about Gods holy will in the Church.
- And we were taught The great Christian hope that Jesus will return and that we live for that day in expectancy.

I was also taught to understand Gods intervention in my life. To understand my experience of God. To understand that I am a Pentecostal Catholic. A part of this most marvelous outpouring of the Spirit of God in this past century which is accompanied by the charismatic gifts.

This is my heritage. This is our heritage. This is who we are, Mother of God Community

This is who I am as a man baptized in the Holy Spirit living in Covenant Community. When I saw Damian up there exhibiting a supernatural gift of faith I saw a Covenant brother, a man like myself. I saw a supernatural Faith and hope in God that was mine/ ours. It was the very air that we breathed in MOGC! My faith and expectancy in God was increased. I was filled with a supernatural hope in God.

I realized that I have been living in a diminished hope for years now. I lost hope that God himself had called us to be a light to the world. I forgot His promises to us. - I lived as devoted Christian but without the most precious part of my inheritance- **a supernatural Faith** that knows that God can do anything! He can move mountains. When I saw more than 100 people stand and attest to healings I believed again. When I raised my arm, miraculously healed in an instant I believed again. I remembered who I am and who we are MOG Community.

We are Pentecostals brothers and sisters! We are those who have received a particularly powerful experience of Gods Holy Spirit. The Baptism of the Holy Spirit is God breaking through to act supernaturally in the Church. Pray brothers and sisters that we may reverence this gift of God. Pray that God will mercifully increase the most precious gifts of the Spirit in our lives. Pray for an increase in the gift of faith to believe God for miracles in our world today. Pray for an increase in Hope expecting God around every turn. Let us each beg God to reveal His gifts in us for the building up of the Church both here and universal.

God has been so completely clear through prophetic words here at the Payer meeting that he is restoring our heritage, bringing into our inheritance:

This is the heritage that God has been seeking to stir our hearts toward with prophetic words;

I was praying and I found myself in an old castle on the second story in a large room. Suddenly the doors were swung open and I could see outside of the castle and a voice said "this is my kingdom, enter into the inheritance I have given you!" I was in total awe at the grandeur of the amazing kingdom sprawled out on the lands before me. I could see far into the distance. It was an amazingly huge kingdom, beautiful beyond description. As I was standing there in awe, I suddenly became aware that I was not there in the castle alone. I was surrounded by the community, my brothers and sisters were there with me, and we were being invited to enter into the kingdom God had prepared for us!

Step into your Inheritance
Hall Miller

As Mark was talking about the household of faith, I saw all of us just ready to step over the threshold. Then when Mark asked us to pray for a word or a prophecy for the group, the Lord immediately had me turn to this passage (New Jerusalem Bible) to the words "Step into your inheritance."

I believe he wants us to step across the threshold to the throne room of the Lord and receive our inheritance as God's children, as his people.

"He has let us know the mystery of His purpose, according to his good pleasure, which he determined beforehand in Christ, for him to act upon when their times had run their course. That he would bring everything together under Christ as head, everything in heaven and everything on earth and it is in him that we have received our heritage marked out beforehand as we were; under the plan of the one who guides all things and decides by his own will, chosen to be for the praise of His glory, the people who would put their hopes in Christ before he came. Now you too in him have heard the message of the truth and the Gospel of your salvation, having put your trust in it, you have been stamped with the seal of the Holy Spirit of the promise, who is the pledge of our inheritance through the freedom of the people whom God has taken as His own, for the praise of His glory. ". Eph. 1:9-14 Alleluia!!

Let's return to praise and worship God the giver of His Holy Spirit.

Let's adore the one who sits on the throne.
